

FFA/4-H “Same” Activities Project year July 1, 2023 – June 30, 2024

As stated in the FFA/4-H Statement of Relations, a student is eligible to participate in both FFA and 4-H simultaneously. However, a student is not allowed to participate in activities considered “same” to both groups in the same “project year.” The Statement of Relations defines the “project year” as July 1 to June 30. The Statement says that annually the State FFA Advisor and State 4-H Leader will meet and announce the list of activities considered “same” for the coming year. The following activities have been announced as “same” by the State FFA Advisor and State 4-H Leader.

- Dairy Cattle Evaluation (judging)
